

Christianity is about relationships. God loves us and wants us to love Him and develop a relationship with Him. By connecting with God through corporate and private worship, we get to know and enjoy God. God also wants us to form meaningful relationships with others. We do not exist for ourselves alone. Jesus showed us God's great love by coming to serve us and wants us to do the same. He wants us to show others who God is and how they can know Him too. We also want to be ready to demonstrate God's love through compassion and acts of service...in our neighborhoods, our workplaces, our community at large, and around the world. Here are some opportunities this month.

There are children facing hunger throughout Marathon County that benefit greatly from this program. Please consider stopping by the Connection Point for specific food donation information and fliers. Contact Janna Janke at jjanke@highlandcommunitychurch.com if you have questions.
