

Christianity is about relationships. God loves us and wants us to love Him and develop a relationship with Him. By connecting with God through corporate and private worship, we get to know and enjoy God. God also wants us to form meaningful relationships with others. The church is a community of people loving and serving God and each other. Here are some opportunities for adults to Connect at Highland.

We do not exist for ourselves alone. Jesus showed us God's great love by coming to serve us and wants us to do the same. He wants us to show others who God is and how they can know Him too. We also want to be ready to demonstrate God's love through compassion and acts of service...in our neighborhoods, our workplaces, our community at large, and around the world. Here are some opportunities this month.

4K RUNNERS - On July 18-19, a group of 22 runners will be staying at Highland. Many of the runners know people who have battled cancer and are running in memory of them. **Please leave cards or notes of encouragement at the Connection Point by Sunday, July 15.** Mark the envelope or card "4K FOR CANCER."
